Schenck Business Solutions Purchases Green Bay Clifton Gunderson Practice

GREEN BAY, WI – Schenck Business Solutions is pleased to announce that it has acquired the Green Bay practice of Clifton Gunderson LLP, a national CPA and consulting firm, effective October 1.

Clifton Gunderson's offices at 420 South Washington Street have been closed, and clients will be served from Schenck's Green Bay office located at 2200 Riverside Drive. Two former Clifton Gunderson employees are now with Schenck: Ken Pietrzyk has joined as a Manager and Kelly Heimerman has joined as a Senior Accountant.

Dennis Langenberg, Shareholder in charge of Schenck's Green Bay office, says that the two practices will blend well due to Schenck's and Clifton Gunderson's similar client base of individuals and growing mid-market companies in the area. "We're excited about this purchase as part of our ongoing growth strategy in the Green Bay market," he said.

Schenck Business Solutions is a full-service regional accounting and consulting firm. Schenck has over 500 employees that serve businesses and individual clients through 9 locations in Wisconsin. As one of the largest Wisconsin-based CPA firms in the state and one of the 40 largest in the U.S., Schenck Business Solutions provides a full range of services including tax, business consulting, information technology, retirement planning, investment, and payroll solutions for today's business, government and personal challenges.
